Roots

- "Tim's awesome. He's one of my favorite Canadian songwriters. Nobody captures the rough-and-ready frontier imagery better than him."
-Corb Lund
- Endorsed by Ian Tyson and Corb Lund (Tim Hus co-wrote the song 'Hurtin' Albertan' with Corb).
- Tim Hus prides himself in being part of a long line of storytellers. His role models also include Woody Guthrie, Stompin' Tom Connors and road dogs like Fred Eaglesmith.
- After years on the road, Tim and his band have a definable sound. "We've got the approach of a folk band but slam a lot harder, we're a country band with a punk attitude and meaningful songs".
- His image laden, Canadiana story songs captures the pioneering spirit of truck drivers, miners, rum runners, trappers, men of the land, vagabonds and as the album title suggests, bush pilot buckaroos.
- Tim Hus is a unique Canadian artist.
