

Kenny ^{'Blues Boss'} Wayne

AN OLD ROCK ON A ROLL

Kenny 'Blues Boss' Wayne is a veteran blues and boogie piano player, raised in New Orleans but a long-time Vancouver resident.

Influenced by **Fats Domino** and **Johnnie Johnson**, Kenny has worked in the past with **Joe Louis Walker**, **Delaney and Bonnie Bramlett**, **Billy Preston** and members of **Sly & The Family Stone**.

His bass-heavy boogie piano work and original songs makes for powerful live performances, enhanced by the sartorial splendor of his boldly colored, French custom-tailored stage suits.

An Old Rock On A Roll, was produced by **Duke Robillard** who says, "He's a monster pianist, a soulful singer, and he captures the essence of old school blues and boogie while sounding totally fresh and contemporary".
