

TIM HUS

Western Star

"Tim's awesome. He's one of my favorite Canadian songwriters. Nobody captures the rough-and-ready frontier imagery better than him." - **Corb Lund**

With the passing of his friend Stompin' Tom Connors, **Tim Hus** proudly carries on the tradition of writing songs about working Canadians and Canada's rich history. His third Stony Plain release is lovingly recorded with the help of traditional "old school" country players. With his Canadiana travelin' band, Tim Hus continues to take his music from small town bars to major international festivals and every truck stop in between.

Produced by Harry Stinson (Steve Earle, Corb Lund, Ian Tyson, Marty Stewart).
