

The Acoustic Blues & Roots of Duke Robillard

The Acoustic Blues & Roots Of Duke Robillard presents Robillard's love of vintage blues, jazz and swing, with a selection of vocal and instrumental cuts.

This is his very first acoustic album in a career that spans over five decades. Robillard has worked with Bob Dylan, Tom Waits, Roomful Of Blues, Fabulous Thunderbirds and dozens of blues legends. He has been nominated for two Grammy Awards and has won "Blues Guitarist Of The Year" four times.
