

Paul Reddick

Ride The One

Ride The One is a musical reference to the hypnotic grooves explored on Paul Reddick's new release. Deep rhythm, intense singing and harp playing combine with his distinctive blues poetry. As Reddick puts it, "Blues is a beautiful landscape."

For over 25 years he has been melding poetry, mystery, darkness and light along with an extensive knowledge of the history and traditions of blues. An unofficial poet laureate of Canadian blues, Mojo Magazine described his "wayward brilliance."

Reddick's song "I'm A Criminal" was used by Coca-Cola in a TV commercial that aired during the Superbowl.
