

RONNIE EARL

— *And The Broadcasters* —

MAXWELL STREET

“Ronnie Earl is one of the most sensitive, refined, and exquisite guitarists on the international blues scene.”

— Living Blues

Ronnie Earl's *Maxwell Street* is named in honour of blues pianist and previous member of the Broadcasters David Maxwell and is a nod to Chicago's Maxwell Street where blues musicians gathered to play outside for the Sunday market crowds.

It confirms Ronnie Earl's status as one of the most soulful blues/soul/jazz guitarists working today.

Earl is a three-time Blues Award winner as *Guitarist Of The Year* working with his band of over 25 years.
