

ERIC BIBB

MIGRATION BLUES

Eric Bibb is one of the most respected blues singer/songwriters of our time. His music is always reverent, keeping one foot in the blues and folk storytelling traditions.

“Whether you’re looking at a former sharecropper, hitchhiking from Clarksdale to Chicago in 1923, or an orphan from Aleppo, in a boat full of refugees in 2016 – it’s migration blues,” Eric says about his new release, *Migration Blues*.

Mainly composed of new tunes, *Migration Blues* also includes covers of Bob Dylan’s “Masters of War” and Woody Guthrie’s “This Land Is Your Land.” An arrangement of the traditional “Mornin’ Train,” closes the opus.

Eric Bibb’s career spans five decades, 37 albums, countless radio & TV shows and non-stop tours, making him one of the leading bluesmen of his generation.
