## David K Wilcox

### Rockin the Boogie \*Best of Blues and Boogie\* – STP 1283

David Wilcox rocks!

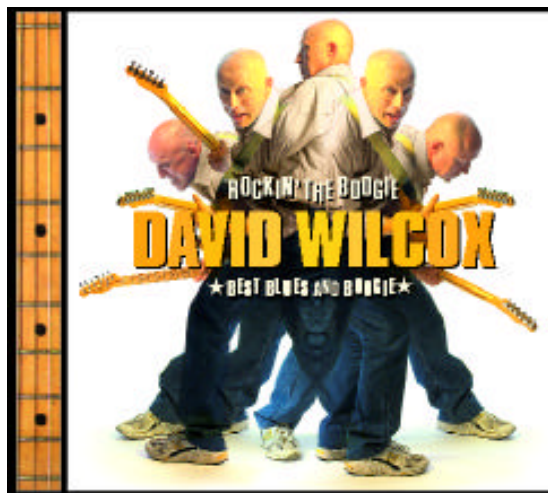

His second Stony Plain release is a collection of his rock-out boogie and blues-based material – including classic tracks that have turned on hundreds of thousands of Canadian fans over the years.

Rockin' the Boogie is a blast!

- ⦿ The title track won world-wide TV play when Jamie Salé and David Pelletier used the tune for their exhibition skate at the end of the Winter Olympics earlier this year.
- ⦿ Classic Wilcox hits like Hypnotizin' Boogie, Hot Hot Papa and Downtown Came Uptown are included.
- ⦿ Wilcox continues to tour across Canada to sold-out audiences – and he remains one of the most exciting live acts in the country.
- ⦿ He also remains one of the great guitar masters in Canadian rock and roll history, drawing from the blues, folk and boogie traditions. There are astonishing solos on almost every track.
- ⦿ There's a blues emphasis on this collection, with unique Wilcox versions of material associated with Muddy Waters, Son House and Blind Boy Fuller.
- ⦿ Three new songs – Can't Stop Rockin', Rock Me, and Dr. Wilcox – are included.
